Hi Mischa,
We don't have firm dates yet. I have been hearing that early Spring might be a good time.

Thanks for your interest.

Hi Ellanna,
The U.S. Environmental Protection Agency has postponed two mining information sessions that were to take place on August 11th and 12th in Dillingham and Newhalen. EPA is postponing these sessions out of respect and sympathy for the individuals, families, and communities affected by last night's tragic airplane crash involving former Senator Ted Stevens and others near Dillingham.

I will coordinate with the Dillingham and Newhalen and surrounding communities to reschedule these information sessions as soon as possible.

Sincerely,
Tami

My name is Mischa Ellanna. I work for a subsidiary company of Bristol Bay Native Corporation (BBNC). This is a very busy week full of meetings for BBNC, therefore, BBNC staff will not attend the Mining Information Sessions. I will be attending the Dillingham session on behalf of BBNC and Susan Luetters will be attending the Newhalen session.

Thank you,

Subject: PLEASE SHARE: Mining Information Session Dillingham &
Newhalen August 11th & 12th

Good Morning,
EPA and the Alaska Department of Natural Resources will be holding a

Mining

Information Session in Dillingham and Newhalen on August 11th and 12th.
The session is focused on the regulatory process and how tribes can be involved, all are welcome to attend. Please see the attached flyers and agendas below.

Please help spread the word by sending to anyone that you know who might be interested.

The flyers could be posted in community locations to help spread the word.

EPA does not have funding to help bring people in for this training. For those of you who might be traveling using your IGAP dollars, please contact your Project Officer, Westley Foster, if it isn't already in your budget.

I will be out of the office next week, so if you have any questions about the training please contact Patty McGrath, 206-553-0979. I will be back in the office on Monday August 9th.

I would appreciate knowing if you are planning to attend, just to get a sense of how many people to expect in each location. Pre-Registration is not required and there is no fee for this training.
